NAME

HARRIET CRAWFORD-WHITE

ROLE

SENIOR PREFECT

ABOUT ME

Hello, I am Harriet Crawford-White, and I am a Senior Prefect. I am currently studying Maths, Chemistry, and Biology. In the future, I hope to attend university in England or Scotland to study Forensic Science, or something similar in that field. Throughout my university life, I plan to continue to pursue and further my love for music. As a Senior Prefect, I will make time to listen to our student voice and work with others on the team to ensure that everyone is heard and acknowledged. I will be an ambassador for the school's positive ethos with regards to environmental and charity work.

Excellence Through Partnership
