ABOUT ME

Hello, I am Sophie Doyle and I am head girl. I am currently studying Double Award Health and Social Care and Professional Business Services. When I leave St Patrick's, I wish to study Paramedic Science at Ulster University. As head girl, I hope to achieve a positive school environment for all students and I hope to set a good example for those who look up to me as head girl so that they know they can talk to me and ask questions at any time. I wish to create fun and educational experiences for students attending St Patrick's College in order to achieve positive learning experiences.
