ABOUT ME

Hello, I am Amy and I am Senior prefect. I am currently studying Cambridge Business studies, Health and Social Care and Religion. In the future, I am aiming to go to university and study marketing within the business industry. As a member of the student leadership team, I will aim to become a positive role model to younger students and work collectively with my peers to come up with new ideas to improve school life for all. I also hope to be recognised as a welcoming presence to other students and share a friendly smile to those who may have any worries within the school.
