ROLE

SENIOR PREFECT

ABOUT ME

Hello, I am Christopher Kearns, and I am a Senior Prefect. I am currently studying Maths, Biology and Professional Business Services. I have an interest in pursuing a career in Business and Finance, however, I am not definitive on this and remain open to exploring other career pathways. As Senior Prefect, I hope to promote a happy and stable school environment, working to resolve any issues that come my way and ensuring everyone is reaching their full potential.
