## ABOUT ME

---

Hello, I am Orla McNeill, and I am one of our school's senior prefects. I am currently studying Health and Social Care, Professional Business Services and Sociology. I hope to study a course in business or in criminology at Queen's University or Liverpool Hope University. Throughout my tenure as a senior prefect, I hope to support the younger years and be someone who is easy to talk to. I also hope to assist in the running of the Queer and Straight Alliance group within St Patrick's College and act as a mentor for its members.
