## ABOUT ME

---

Hello, I am Rachel Sheppard, and I am a Senior Prefect. I am currently studying Cambridge Business, Single Award Sport and Psychology. In the future, I would like to pursue a career as a Mental Health nurse or as a Counsellor. Through my role as a Senior Prefect in St Patrick's College, I would really like to make a difference and act as role model for students within our school. I hope to build a relationship with the younger students and make them feel welcomed and aware that they can always approach me if they need a friend to talk to as when you're a student in St Patrick's College, you are never alone. I personally see this role as a great opportunity and personal honour as I can give back to the school who have helped me grow and develop over the past 6 years.
